(d) Yes, Sir.

(e) Not applicable.

Deposition of collected fund to Prime Minister's Relief Fund

5. SHRI VARINDER SINGH BAJWA: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that some organizations under the control of his Ministry collected huge funds from their employees and other sources for the Prime Minister's National Relief Fund but did not deposit full amount collected to the Fund;

(b) if so, whether the matter has been inquired into to fix responsibility on those who have indulged into this bungling and extent to which funds were withheld;

(c) whether the held up funds have since been passed on to the Prime Minister's National Relief Fund; and

(d) if not, reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF COAL (DR. DASARI NARAYANA RAO): (a) to (d) During the last eight years, the employees of Coal India Limited (CIL) and its subsidiaries have contributed from out of their wages Rs. 48.06 crores towards relief assistance following the Kargil war, Tsunami, earthquakes in Gujarat and Jammu and Kashmir and floods in Orissa. CIL has deposited Rs. 37.08 crores in the Prime Minister's National Relief Fund (PMNRF) and National Defence Fund (NDF). An amount of Rs. 1.35 crore was deposited in the Chief Minister's Relief Fund of the States of West Bengal, Bihar and Himachal Pradesh and Rs. 3.36 crores was spent on purchase of relief material for Orissa flood victims. An amount of Rs. 7.34 crores has been subsequently deposited by the CIL in PMNRF and NDF. Accordingly, an amount of Rs. 49.13 crores has been accounted for including Rs. 1.07 crore that was contributed from the internal resources of the Coal companies.

However, there has been a delay in depositing part of the funds collected in PMNRF besides depositing some funds in the Chief Minister's Relief Fund of some States and direct spending. The Ministry of Coal has ordered an enquiry in this regard.

Telecom licences and additional spectrum

6. SHRI RAJEEV CHANDRASEKHAR: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether Government have recently decided to issue new telecom licences and also to sell the additional spectrum now available with Government;

(b) if so, whether auctions for the same have been invited;

(c) if so, the details thereof and the number of bids accepted by Government; and

(d) if so, the details of the new licence issued and spectrum sold as a result thereof?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) to (d) The Government has decided to grant new Unified Access Services (UAS) Licences as per the existing policy. Selling/auction of 2G spectrum is not envisaged under telecom access services licences.

No new Letter of Intent for UAS Licence has been issued after 5th March, 2007.

Telephone and cable connection of BSNL

7. SHRI RAJ NATH SINGH: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) the number of telephone connections that have been provided to the subscribers of Vasundhara, Ghaziabad, U.P. by the BSNL during the last two years;

(b) how many cases are pending with the authorities who have registered for installation since January 2007 to till date, name-wise and number-wise;

(c) whether it is a fact that the BSNL is not installing connection on the basis that there is no provision for cable; and

(d) if so, reasons for non-availability of cable and by when those subscribers would get connection quickly?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) Sir, the number of telephone connections provided in Vasundhara Exchange area of Ghaziabad, U.P. by the BSNL during the last two years is given below:

Year	No. of connections provided
2005-06	600
2006-07	397
2007-08 (upto October 07)	233
TOTAL	1230

(b) No request received prior to July 2007 is pending for installation of telephone connection in Vasundhara telephone exchange area of BSNL. From August 2007 onwards till date, 16 cases are pending. Details are given in the enclosed Statement. (*See* below).

(c) and (d) No, Sir. Installation of telephone connections is not restricted due to non-provision of cables. Working out the requirement of UG Cable pairs based on the demand for telephone connections and availability of cable pairs is done on regular basis. Thereafter, planning for laying of UG Cable, ordering for UG Cable and actual laying of UG Cable is done. Thus, though review of external plant and associated activities are undertaken for provision of telephone connections on demand, yet some of the area under an exchange becomes technically non-feasible pending laying and commissioning of UG cable. However, these subscribers will be provided with telephone as per the dates shown in the Annexure.
